COMMUNITY LOCAL LAW NO 9

SCHEDULE

PENALTIES FIXED FOR INFRINGEMENT NOTICE PURPOSES

Explanatory Note: Infringement notice penalties are used to simplify the process of enforcing less serious breaches of the law.

Infringement notices avoid the complex process of Court prosecution.

When infringement notices are paid on time, no conviction is recorded by a Court. The amount of an infringement penalty is normally significantly less than the potential maximum penalty a Court might impose for the same offence. Maximum penalties may be imposed by a Court when:

- Council or an authorised officer chooses to prosecute an offence, rather than issue an infringement notice; or
- a person receiving an infringement notice chooses to have the matter heard in Court.

Penalty units are indexed annually.
