PRESIDENTS MESSAGE

President, Kaniva Agricultural & Pastoral Society

This year we look forward to the 140th Kaniva Show and it makes you reflect on how many people have been integral in the running of our show over all these years. How many flowers grown, craft created and sponges, which were once cooked in wood stoves to now air fryers, presented. And how all of this has evolved into what we now are so proud to present to our community.

Last year saw the addition of the hugely successful helicopter rides, which again this year will provide all with the opportunity of an aerial view of the countryside. This year will also see the return of our Dog High Jump, Young Farmers Challenge, Car Show, Sheep Races and ending our day with Fireworks for all. We are excited to let you know there will be a special appearance of “Shimmer” the Bubble Fairy, keep your eyes out for her arrival.

I’d like to acknowledge the hard work of Kaniva College’s VCEVM students, raising money for each school child to spend at the show. What started as an idea by one local lad, Jedda Ansell, is now making sure that all school aged children have some “Show Dollars” to spend at the show.

As always my heartfelt thanks to our hard working and dedicated committee, of whom give so much of their time in planning and organizing for just one day, for everyone to enjoy. I extend my appreciation to each and every steward, gate keeper, volunteer, helper, your contribution is why our show has sustained for so long and always been so successful. I also acknowledge our sponsors big and small, you are all greatly appreciated and the show would not be able to run without your support.

The past few years have seen record numbers of entries and I can’t wait again to award the “Presidents Choice” rosettes to some of the wonderful talent on offer. I am proud to lead a team that helps showcase the best Kaniva has to offer and look forward to seeing you all at the Show.

- **Jim Alexander**
